Crow Vineyard & Winery, Broken Spoke Winery & Winery and Chateau Bu-De Winery & Vineyard are all located in the River to Canal Wine Corridor on Maryland's Upper Eastern Shore. The location is at the smallest landmass area between two bays, the Delaware Bay and the Chesapeake Bay and with this configuration comes a bountiful grape growing region. The three wineries offer a trio of distinctive visitor experiences and award-winning wines to sip reflective of the terroir. One can experience all three wineries in a day or plan a longer weekend stay to take in the history of Chesapeake City to the north and Chestertown to the south of the corridor or the events offered at each winery.
